- E-mail me.

Problem Set 1

Due: Tuesday, 11:59pm

How was problem set 1?

- a. Super easy
- b. Easy
- c. Ok
- d. Hard
- e. Super hard
- f. I give up
- g. Dragons?

Problem Set 2

Due: Tuesday, 11:59pm

Two problems:

- List management (today's class)
- Herbert the Robot (Friday's class)

Exercise 1

Due: Feb. 4

Goal:

- Practice problems
- Short examples of different aspects of Java
- Look at recommended documentation:
 - `java.lang.Math`
 - `String`
- Not designed to be stressful or pressured... just do them.
